Basic Food Safety Now Offered Online By Central District Health Department

Having trouble with training your employees in food safety? Now it's easier than ever to keep your kitchen safe! In just 27 minutes you can give new employees all the basic information they need to know about basic food safety.

Go to the Central District Health Department website at www.cdhd.idaho.gov and click on the **Training** tab. Then click on **Food Safety Training**.

From this page you can easily download the six video segments in a format that's easy for you to use. View the videos at your leisure, at a time that's convenient for you and your employees. The **Basic Food Safety Video** is perfect for training new employees and also serves as a great refresher course for all employees. Best of all the video is free!

Check it out today! www.cdhd.idaho.gov/EH/food/train.htm
